

NATIONAL TREASURES® OF ST. VINCENT AND THE GRENADINES

Membership/Supporters' Form

National Treasures of St Vincent and the Grenadines (SVG) Incorporated is a Non Profit company which was registered in November 2014 and endorsed by the Government in June 2015. National Treasures is committed to the procurement, preservation, protection, promotion and dissemination of that which encompasses the tangible and intangible history, heritage and culture of St. Vincent and the Grenadines and its people.

The Purpose of National Treasures of St Vincent and the Grenadines is:

- (1) to fill the gap in the preservation of our cultural heritage by beginning the process of capturing some of the trove of knowledge, experiences, memories and oral histories which are a vital part of our cultural heritage in order to preserve some of that which still exists before it is lost forever.
- (2) through the process of collecting or gathering the 'data' of our history, heritage and culture- National Treasures of St Vincent and the Grenadines aims to remind Vincentians about and/or raise awareness of our cultural heritage. This is intended to re-awaken or engender, (where necessary), a sense of national pride. Also it will help us to understand that which has made us what we are; and make us able to esteem or value ourselves as individuals, as a people and as a nation.
